

Datta

(Spiritual analysis and worship)

Preface

Whatever little most people know about God is usually through stories they have read or heard in childhood. Due to insufficient knowledge, they have very little faith in God. Availability of further knowledge on God may help in increasing their faith in God. Further, as belief grows into intense faith, worship of the Deity and spiritual practice will take place smoothly. With this objective, this Booklet provides useful information, as per the science of Spirituality, which is generally not available elsewhere on Deity Datta. Detailed information on Deity Datta is provided in Sanatan's Spiritual text - 'Datta'.

We earnestly pray unto the Holy feet of Shrī Guru that the inspiration obtained after reading this Booklet assists each seeker to perform consistent spiritual practice. - **Compilers.**
